PRESS RELEASE

October 27, 2016

At approximately 2:00 this afternoon one of our deputies took a report from a resident of Vicksburg, MS who said his vehicle had been stolen from his residence (in Vicksburg) by his neighbor/suspect, Jimmie Knight, who was allegedly in the Natchez area. Both the vehicle and Knight had been listed on NCIC as wanted by Warren County Sheriff's Office. While patrolling the area of the 800 block of Liberty Rd., our deputy observed a vehicle fitting the description pull into a residence and a male matching a recent photo of the suspect was seen exiting the vehicle. The deputy made contact with Knight who was subsequently arrested for Possession of Stolen Property. While on the scene the resident of that location informed the deputy that he purchased a handgun from Knight this date which Warren County said was stolen along with the truck. Knight was also charged with Possession of a Stolen Firearm.

"Our deputies are dedicated to Adams County and its residents" Sheriff Patten said. "We continually strive to make our communities safer on a daily basis."
