PRESS RELEASE

November 9, 2017

Natchez, MS: The Go Fund Me account for the ACSO Animal Rescue has been deactivated and is no longer taking donations. The following statement has been placed on our Go Fund Me page.

“There were several questions as to what happens to these funds now that the ASPCA has taken over. The funds raised up to this point will be used to cover expenses incurred by our initial contact with these animals including veterinarian expenses and expenses to Natchez-Adams Humane Society. Once these are taken care of, we will sit down with the ASPCA and determine how best to apply any monies left over.”

We want to thank everyone who donated via Go Fund Me as well as everyone who brought dog food, bedding, collars, leashes, cash and checks to the Adams County Sheriff's Office. The outpouring of love and support from people across America and as far away as the UK has been humbling.
